

| D.Y. PATIL MEDICAL COLLEGE, KOLHAPUR  |            |  |                          |                                       |                                 |
|---|------------|--|--------------------------|---------------------------------------|---------------------------------|
| DEPARTMENT OF DERMATOLOGY, VENEREOLOGY & LEPROSY                                |            |  |                          |                                       |                                 |
| LECTURE FOR PHASE - III PART I LECTURE FROM 26TH DECEMBER 2024 TO DECEMBER 2025 |            |  |                          |                                       |                                 |
| CBME BATCH 2022   |            |  |                          |                                       |                                 |
| TIME 3.30PM TO 4.30PM   |            |  | DAY :- 2,3,4 - FRIDAY    |                                       |                                 |
| SR. NO.   | DATE       | TOPIC  | TEACHERS                 | COMPETENCY                            | SGT,SDL,L                       |
| 1   | 27/12/2024 | Describe Structure & functions of skin with its appendages.  | Dr Ganesh Dhavalshankh   | AN 4.2                                | Lecture                         |
| 2   | 10/01/2025 | Describe etiology,microbiology,pathogenesis,natural history,clinical features,presentations & complications of Scabies.Enumerate & describe Pharmacology of Pharmacatherapeutics used in Scabi   | Dr.Sanvi Nigade          | DR 5.1& 5.3                           | Lecture, Small group discussion |
| 3   | 17/01/2025 | Describe etiology,pathogenesis & diagnostic features of Pediculosis.   | Dr. Priyadarshini Jadhav | DR 6.1                                | Lecture, Small group discussion |
| 4   | 24/01/2025 | Describe etiology,microbiology,pathogenesis,clinical presentations ,diagnostic features of Dermatophytes in adults & children.Describe Pharmacology,action & adverse effects of antifungal therapy   | Dr.Vinayak Katkar        | DR 7.1 & 7.3                          | Lecture, Small group discussion |
| 5   | 14/02/2025 | Enumerate & describe the treatment modalities for Lichen Planus.   | Dr.Yoganand Phulari      | DR 4.2                                | Lecture, Small group discussion |
| 6   | 21/02/2025 | Describe the etiology,microbiology,pathogenesis,clinical presentations & diagnostic features of common Viral infections of the skin in adults & children.Enumerate & describe Pharmacology,administration & adverse reaction of Pharmacotherapies for common viral illnesses of the skin.  | Dr Ganesh Dhavalshankh   | DR 8.1 & 8.7                          | Lecture, Small group discussion |
| 7   | 28/02/2025 | Identify and distinguish Herpes simplex, Herpes zoster & Varicella from other skin lesions.Identify & differentiate Scabies & Pediculosis from other skin lesions. Identify & distinguish Viral Warts & Molluscum Contagiosum from other skin lesions.   | Dr.Yoganand Phulari      | DR 8.2, 8.3,5.2, 6.2,8.4 & 8.5        |                                 |
| 8   | 14/03/2025 | Enumerate the causative & the risk factors of Acne. Describe the treatment and preventive measures for various kinds of Acne.  | Dr. Priyadarshini Jadhav | DR 1.1 & 1.3                          | Lecture, Small group discussion |
| 9   | 21/03/2025 | Enumerate indications,describe the procedure & perform a Tzanck smear. Identify Candida species in Fungal scrapings & KOH mount.   | Dr.Vinayak Katkar        | DR 8.6 & 7.2                          |                                 |
| 10  | 28/03/2025 | Describe pharmacology, indications and adverse reactions of topical and systemic drugs used in treatment of Pyoderma.  | Dr. Sanvi Nigade         | DR 15.3                               | Lecture, Small group discussion |
| 11  | 11/04/2025 | Identify & distinguish Folliculitis, Impetigo & Carbuncle from other skin lesions.Identify Staphylococcus on a Gram stain. Enumerate the indications for surgical referral.Distinguish Bulla from Vesicles. Demonstrate the Tzanck test, Nikolsky sign & Bulla spread sign. Calculate the body surface area of involvement of vesiculobullous lesions. | Dr Ganesh Dhavalshankh   | DR 15.1, 15.2 & 15.4,13.1,13.2 & 13.3 |                                 |
| 12  | 25/04/2025 | Identify & distinguish Psoriatic lesions from other causes. Demonstrate Grattage test  | Dr.Yoganand Phulari      | DR 3.1 & 3.2                          |                                 |

05-05-2025 TO 11-05-2024 (01 WK) SUMMER VACATION

|    |            |  |                          |                                      |                                 |
|----|------------|--|--------------------------|--------------------------------------|---------------------------------|
| 13 | 16/05/2025 | Enumerate the indications for and describe the various modalities of treatment of Psoriasis including topical, systemic & phototherapy.  | Dr. Priyadarshini Jadhav | DR 3.3                               | Lecture, Small group discussion |
| 14 | 23/05/2025 | Identify & distinguish Lichen Planus lesions from other causes.  | Dr.Vinayak Katkar        | DR 4.1                               |                                 |
| 15 | 13/06/2025 | Describe etiopathogenesis of Eczema. Classify & grade Eczema. Enumerate & describe pharmacology, indications & adverse reactions of drugs used in treatment of Eczema.   | Dr. Sanvi Nigade         | DR 12.1,12.3 & 12.4                  | Lecture, Small group discussion |
| 16 | 20/06/2025 | Enumerate, identify & describe various cutaneous findings in vitamin A, vitamin B complex, vitamin C & Zinc deficiency. Enumerate the cutaneous features of Type 2 Diabetes & Hypo/ Hyperthyroidism.   | Dr Ganesh Dhavalshankh   | DR 17.1,17.2,17.3,17.4, 18.1 & 18.2  | Lecture, Small group discussion |
| 17 | 27/06/2025 | Identify Eczema and differentiate it from Lichenification & Define Erythroderma. Enumerate & causes of Erythroderma. Exfoliative dermatitis. Identify & distinguish Fixed Drug Eruptions & Stevens-Johnson Syndrome from other skin lesions. Identify & distinguish skin lesions of SLE & Raynaud's phenomenon.                | Dr.Yoganand Phulari      | DR 12.2,12.5,12.6, 12.7, 16.1 & 16.2 |                                 |
| 18 | 11/07/2025 | Describe the etiology, pathogenesis & clinical precipitating features & classification of Urticaria & Angioedema. Enumerate the indications & describe the pharmacology, indications & adverse reactions of drugs used in Urticaria & Angioedema.  | Dr. Priyadarshini Jadhav | DR 14.1 & 14.5                       | Lecture, Small group discussion |
| 19 | 18/07/2025 | Identify & grade various common types of Acne. Identify & distinguish Urticaria from other skin lesions. Demonstrate Dermographism. Identify & distinguish Angioedema from other skin lesions  | Dr.Vinayak Katkar        | DR 1.2,14.2,14.3 & 14.4              |                                 |
| 20 | 25/07/2025 | Identify & differentiate Vitiligo from other causes of hypopigmented lesions.Describe the treatment of Vitiligo  | Dr. Sanvi Nigade         | DR 2.1 & 2.2                         | Lecture, Small group discussion |
| 21 | 08/08/2025 | Classify,describe the epidemiology,etiology,microbiology,pathogenesis,clinical presentations & diagnostic features of Deprosy.Describe pharmacology,administration & adverse reactions of pharmacotherapies for various classes of Leprosy based on National guidelines.Describe treatment of leprosy based on WHO guidelines. | Dr Ganesh Dhavalshankh   | DR 9.1,9.5,9.6                       | Lecture, Small group discussion |
| 22 | 22/08/2025 | numerate & describe complications of Leprosy and its management,including understanding disability & stigma. Enumerate,describe & identify Lepra reactions & supportive measures & therapy of Lepra reactions.   | Dr.Yoganand Phulari      | DR 9.7 & 9.4                         | Lecture, Small group discussion |
| 23 | 12/09/2025 | Demonstrate clinical features of leprosy including an appropriate neurologic examination.Observe performance of a Slit skin smear in patients with Leprosy   | Dr. Priyadarshini Jadhav | DR 9.2 & 9.3                         |                                 |
| 24 | 19/09/2025 | Identify and classify Syphilis based on presentation & clinical manifestations.Enumerate & describe pharmacology & adverse reactions of pharmacotherapies for Syphilis.Describe prevention of congenital Syphilis  | Dr.Vinayak Katkar        | DR 10.1,10.3 & 10.4                  | Lecture, Small group discussion |
| 25 | 26/09/2025 | Identify Spirochaete in a dark ground microscopy. Identify & distinguish dermatological manifestations of HIV, its complications, opprtunistic infections & adverse reactions  | Dr. Sanvi Nigade         | DR 10.2 & 11.2                       |                                 |
| 26 | 10/10/2025 | Describe etiology,diagnostic clinical features & differential diagnosis of Non syphilitic sexually transmitted diseases(Chancroid,Donovanosis & LGV). Describe pharmacology of drugs used in treatment of Non syphilitic STDs.   | Dr Ganesh Dhavalshankh   | DR 10.6,10.7 & 10.8                  | Lecture, Small group discussion |

|    |            |   |                          |                  |                                 |
|----|------------|---|--------------------------|------------------|---------------------------------|
| 27 | 17/10/2025 | Describe syndromic approach to Ulcerative sexually transmitted diseases. Counsel in a non judgemental & empathetic manner, patients on prevention of STDs.                                  | Dr. Yoganand Phulari     | DR 10.9 & 10.5   | Lecture, Small group discussion |
| 28 | 24/10/2025 | Describe etiology, diagnostic, clinical features & management of Gonococcal & Non-gonococcal Urethritis. Describe etiology, diagnostic, clinical features & management of Vaginal discharge | Dr. Priyadarshini Jadhav | DR 10.10 & 10.11 | Lecture, Small group discussion |
| 29 | 14/11/2025 | Describe the etiology, pathogenesis, clinical features of dermatological manifestations   | Dr. Vinayak Katkar       | DR 11.1 & 11.3   | Lecture, Small group discussion |
